TRAVEO TURISMO Y ENTRETENIMIENTO

I am writing in regard to recommending TRAVEO TURISMO Y ENTRETENIMIENTO – known as **TRAVEO** – as one of the most important and recognized travel group companies in México, due to their professionalism in the management and coordination of travel packages for students, meetings, incentives, congresses & events, TRAVEO had been a fundamental piece in launching Mexico as a first order destination.

Members of TRAVEO have always demonstrated professionalism, high commitment and responsibility with us as their customers. TRAVEO works with strict ethics, accomplishment of the quality standards, as well as the integrity of their human resources.

I proudly congratulate and recommend **TRAVEO** and **INERTIA TOURS** as these joint ventures benefit both customers and quality services.

Best regards,
